

The Editor's Desk

This issue of the *Upshaw Family Journal* contains all Upshaw census indexes for the eastern United States from 1790 to 1940, except those southeastern states of Alabama, Georgia, Florida, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia which have been previously printed and are, thus, not included in this issue. It is questionable whether many Upshaw persons in the eastern states herein are descended from William Upshaw of Gloucester & Essex Counties, Virginia, although they are reported here as found in the cited census indexes..

All four issues of the next Volume (15) of the *Upshaw Family Journal* will contain all Upshaw references from Fulton County, Georgia records, including Atlanta, Georgia, city directories from 1859 to 1962, marriage records from 1854 to 2006 and more.

All Upshaw references are found in United States Federal census population schedules, as found on digital images, *Ancestry* (<http://www.ancestry.com>;) accessed in 2018, citing various NARA micro publications. All references are to persons designated as "White" race.

Connecticut Census Indexes 1790-1940

Connecticut was organized in 1788;
the first Federal population census was taken in 1790

1790 Connecticut census index: (no Upshaw, or variant, references)
